## 211 Dr. Josefina Santamaria Career Planning in the Philippines: Retrospect and Prospect

Content  Style  # of Reviewers

- Current dataHas connection with audience; not new strategies on how to deal with issue
- The content related to soft skills, it resonates with my work.
- A good macro overview for me to appreciate the landscape, historical origin and challenges of our dear host country - PH.
- Very relevant especially the prospects
- Learning about career development issues in the Philippines
- The wealth of input from a seasoned co-practitioner.
- The Philippine perspective, which was elaborated, was very helpful to obtain a different cultural perspective.
- Establishing strong partnership
- Details of the Philippine context were interesting
- The definition of the lack of change from the 1970's to present regarding career development challenges.
- Overview about Philippines and future challenges
- Explained simple, easy to understand and to apply
- The breath of her presentation - from basics to government policy.
- Relevance of data and up-to-date statistics.

## 221 Vimal Rarh Investigating the Role of ICT and MOOCs in Indian Education and Career Development System

Content  Style  # of Reviewers

- Learn how India develops MOOC and promote the general usage of the new model.

## 222 Jose Domene, Denise Larsen, and Chelsea Arsenault Career-Life Support for Accompanying Partners of International Students: The SHARP-AP Program

Content  Style  # of Reviewers

- Very engaging
- The careful attention given to his client and focus on positive psy and hope. He said we were always using pos. psy! Yes. The hope activity he has his clients use.
- HOPE Theory

## 223 Shimeng Mai and Hao Guo Best Practices for Engaging Employers and Students in Dynamic Labor Market across Greater China

Content  Style  # of Reviewers

- The data and source back info of China market. Really well done!
- Very informative - really gained insights into China trends - would like PPTs.
- Very great presentation with helpful take aways
- It was informative.

## 224 Yashpal Singh and Nisha Chaudhary Role of Career Counselling Professionals in India

Content  Style  # of Reviewers

**225 Chao-Mei Chiang and Ying-Yi Su Career Narratives of Guidance Counselors in Taiwan: Challenges, Professional Development, and Personal Growth**

Content  Style  # of Reviewers

- Attitude of the speaker in answering questions and clarifications
- Its very well researched, outline, research questions, methodology and results; its well documented.

**226 Shailja Rana and NK Chadha Career Blue Print for Techies Aspiring Start-ups: Zooming-in on Personality Factors**

Content  Style  # of Reviewers

- The speaker and presentation.
- Relevance of data

**231 Dreama L. Montrief Johnson and Rob Morris Creating a Career Peer Educator Program**

Content  Style  # of Reviewers

- Excellent and generous sharing!
- She engaged the participants through small group discussion.

**232 Hsiu-Lan (Shelley) Tien Adult's Perception of Homeostasis in Career Chaos: An example in Chinese culture**

Content  Style  # of Reviewers

- Data analysis

**233 Brian Schwartz CareerDNA: the Integrated Online Career Assessment Based on Positive Psychology**

Content  Style  # of Reviewers

- Six factor model for career assessment
- I felt somebody may get offended by some of his values and culture points.

**234 Allan Gatenby Constancy of Change: Implications for Professional Practice**

Content  Style  # of Reviewers

- Very general, relied on the audience participation too much. I learned very little. A bit of an advertisement for his groups. Seemed under-prepared and lacking substance.
- He tried to involve the participants too much which lead to him not finishing slide presentation. He needed 1 hour presentation time at least, would like PPTs!
- Handling transition.

**235 Nupur Gosain, NK Chadha, Radley Sharma, Bikram Kalsi, Vandana Gambhir, and Hiba Irfan Reinventing Aptitude Test: An Indian Study on College Placements**

Content  Style  # of Reviewers

- The concept of unconventional is interesting.

236 Shu-Chen (Jean) Wu

**Career Resilience: The Study of College Students' Career Adversities and Their Coping Strategies in Taiwan**

Content  Style  # of Reviewers

- Interesting topic; results of the study will help address student concerns; can be basis to improve career development and counseling programs.
- It has useful information related to resilience for a counselling perspective. The idea of resilience is both inbuilt and at the same time co-construct with the people and environment, solid context.

241 Leili Jin, Masumi Nagae, and Tina Anctil **Panel: Gender Issues in the Workforce**

Content  Style  # of Reviewers

- Relevance of data to career development practice.
- Choice of topic and discussion
- Understand issues and challenges regarding gender difference in terms of career path in different countries.
- Some of the stats by one of the speaker was outdated.
- The information presented.
- Cultural perspective
- Diverse
- Gender issues is still relevant in other countries inspite of the country being progressive
- Great exchange between floor and panel.
- I liked that they discussed the importance of inclusion in this particular context and culture, e.g. empower women to be active.
- More strategies on what works and not? Maybe a male panelist too or status change...
- Screen presentations hard to read. Handouts would have helped.
- Really great data - sometimes hard to follow complex graphs.

251 Ma. Paquita D. Bonnet **The State of Career Development in Philippine Universities and Colleges**

Content  Style  # of Reviewers

- An eye opener about the practices in the Philippines
- Enlightening reality of placement services
- Very interesting, well presented.
- Attitude of the speaker to accommodate suggestions and recommendations

252 Anne Chen **Seven Dynamic Approaches to Construct Co-creating Career Development Services**

Content  Style  # of Reviewers

- Very systematic approach and with real cases/outcomes
- Sharing of personal experiences that are both inspiring and truthful.

253 Nupur Gosain, NK Chadha, Chavi Sharma **Factors Affecting Mid-Career Transition: An Indian Study**

Content  Style  # of Reviewers

-

**254 Timothy His****An exploratory study of the development of career adaptability in Singapore's labour force.**Content  Style  # of Reviewers 

- He engaged the participants to contribute and share their thoughts.
- The Q&A portion. It allowed further discussion about the topic.
- Engaging and real! Useful definitions.
- Very dynamic presenter. Would like PPT handouts.
- Very good presentation with clear message and value

**255 Xue-ying Gu and Xue-Ping Shen****Research and Development of Career Interest Measurement of Chinese College Students with Campus Characteristics**Content  Style  # of Reviewers 

- The use of standardized career development tools.

**256 Dreama L. Monrief Johnson****Best Practices: Supporting University Students in the Global Career Search Process**Content  Style  # of Reviewers 

- I find Ms. Johnson's talk very useful as it involves resources for international opportunities and network.

**271 Danita Redd and Lisa Raufman****Post Traumatic Stress Disorder: Issues, Challenges, and Hope in Career and Life Development**Content  Style  # of Reviewers 

- The Q&A portion. It also give clear presentation at the challenges in dealing clients with PTSD.
- Looking at trauma as affecting all aspects of life; how do you ask trauma students make like changing decisions
- Covered a long details about PTSD. Excellent handout of PPTs!
- Data given

**272 Chunyu Li****The rapid consultant method based on four division of employee's career problem about the career development in china.**Content  Style  # of Reviewers 

- The handouts provided when we attend the session.

**273 Bailey Rowell****Maintaining Reliability and Validity of a Comprehensive Career Guidance System While Meeting Cross-Cultural Needs**Content  Style  # of Reviewers 

- Aimed at a schools-based audience.
- Exciting and groundbreaking work in testing assessment.

**274 Vandana Gambhir and NK Chadha****STEM Readiness Inventory: A Competency-based Psychometric Tool to Assess Preparedness for STEM Careers**Content  Style  # of Reviewers 

-

**275 Jonathan Moxon****Developing Global Competencies in Japanese Junior College Students through International Exchange**Content  Style  # of Reviewers 

- Succinct, thoughtful and replicable

**276 Hui-Chuang Chu****A Study of Career Identification for students of Teacher Education- A Case of becoming Full-time Counseling Teachers in Elementary Schools in Taiwan**Content  Style  # of Reviewers 

-

**311 Dr. Regina Hechanova****The Workforce of the Future**Content  Style  # of Reviewers 

- Clear and direct to the point.
- Preparing career development programs for future workforce (millenials, retirees)
- Clear-cut information and integration to career development practice, better than the previous speaker
- Great presentation!
- Everything! Amazing and thought-provoking.
- The best presentation in this whole conference
- Everything!
- I like the whole presentation. Kudos!
- Overview of the career and talent development skills
- Very informative and good speech
- Very good presentation about the changing workforce which has implication how we do our work as co-professionals.
- Please bring her back! Great research and synthesis of a lot of data and themes and loved comparison of many different countries.
- Very clear presentation.
- New work structures. Very comprehensive. Would like PPT.
- Wonderful! More Regina please. Generous sharing of insights. Powerful takeaways.

**321 Ann Enverzo****Needing New Colors in their Rainbow- A Career Program for LGBT students**Content  Style  # of Reviewers 

- Inclusion of LGBT, answering job interview questions about sexual preference and gender expression
- Topic, intervention strategies. Obvious passion of presenter.

**322 Dick Knowdell, Jon Sakurai- Horita, and Brian Schwartz**  
**Three Old Guys Predict the Future of Career Development**Content  Style  # of Reviewers 

- How to deal with gig economy
- Truly wise and truly useful.
- The sharing of personal experiences of the three speakers about their practice.
- Discussion and integration of socio-political perspectives in the practice of career development

**323 Eric Anctil**

**Career Services in a Rapidly Automating World: Issues and Challenges for 21st Century Career Planning**

Content  Style  # of Reviewers

- Excellent presenter and use of humor.
- PPT examples - he did not rely on PPTs, neat examples and content!
- Interesting topic to think ahead about how workforce will be changed in future by automation.
- It's general information for us.
- Appreciated the intro to this concept and definitions of great anecdotes.

**324 Eduardo Caligner**

**Career Guidance and Development in Schools: Current Practices, Needs & Direction Relevant to the Philippines K-12 Educational Reform Implementation**

Content  Style  # of Reviewers

- He tried to engage the participants, though there's time constraint.

**325 Chun-Wei (Lydia) Fang**

**The Study of College Students' Perceptions of their Parents' Career Expectations and Coping Strategies**

Content  Style  # of Reviewers

- Presenter is an undergrad, courage and determination to present at a conference.

**326 Jonathan Ilagan**

**Social Cognitive Career Theory: Parenting, SES, Career Decision Making Self Efficacy, and Career Outcome Expectations**

Content  Style  # of Reviewers

-

**331 Minhee Yang, Dayi Kim, and Jinhee Joo**

**Online Career Education Platform (OCEP) for College Students**

Content  Style  # of Reviewers

-

**332 Tina Anctil**

**Using Assistive Technology Effectively For Workplace Accommodations with Individuals with Disabilities**

Content  Style  # of Reviewers

- Resources shared at the end
- Very engaging
- Very presentable!
- Very interesting. Know most of this, but good reminders and descriptions. Would like PPTs.

**333 Luis Anatascio**

**Integrative Career Development Program for the Philippines**

Content  Style  # of Reviewers

- Profound strategies workforce planning project
- Well prepared presentation of the journey of career development working for a small province to regional and national using the ACT Keys. It somehow validates the effectiveness of ACT Keys.
- Relevant information for developing career programs
- Philippines and regional issues and solutions
- It was motivating for us career practitioners to really advocate for the workforce development.

**334 Raza Abbas****Asian Parents- Bridging Dialogue for Children's Career Counseling & Guidance**

Content  Style  # of Reviewers

**335 Nancy Arthur and Jose Domene****What Helps and Hinders the Career Development Needs of Accompanying Partners of International Students?**

Content  Style  # of Reviewers

- How universities can think creatively in supporting these partners.
- Great background to session 222. Order of presentation needed to be reversed.

**336 Aireen A. Orquio-Arabis and Maria Carmel Sungahid-Abay****Profile of Ateneo de Davao High School Students on Academic Probation**

Content  Style  # of Reviewers

**341 Hector Lin, David Reile, and N.K. Chadha Panel: Technology in Career Services**

Content  Style  # of Reviewers

- Opened eyes to wonders of technology.
- Predictions for the future
- David was fantastic!
- Engaging delivery of talks.
- Hector's 10min presentation was very interesting.
- It showed diversity of using technologies services as India and Singapore. The concept of virtual career both enables job seekers the privacy of discussing career plans without releasing his identity thus both reasoning and able to share.
- We have resources and not realize it
- Lin's part is excellent
- Narendra needed a PPT - hard to eval his comments
- Needed better visuals but interesting.

**351 Jeff Garis****STRIDE: Developing Career Centers at Selected Universities in the Philippines**

Content  Style  # of Reviewers

- Value of setting up a career center

**352 Jenna Jiang and Hao Guo****Engaging non-Chinese students in seeking emerging working opportunities in Greater China**

Content  Style  # of Reviewers

- Great presentation about China's policies and NYU Shanghai. Could use handout on PPTs.
- Review of Chinese policies
- Interesting approach

**353 Brian Hutchison****Creating a Scholarly Career Development Journal**Content Style # of Reviewers 

- Very nice attitude as a speaker, clear-cut information and personal skills as a facilitator.

**355 Su-Fei Huang****Correlation between Career Interest, Career Self-Efficacy to Professional Satisfaction and Career Maturity**Content Style # of Reviewers 

- Very robust findings
- Both studies are inspiring and informative. e.g. Career Self-Efficacy
- Quite confusing.

**356 Momoko Asaka****Possibility of career counseling combining "Personality Analysis" tools and the comic "Peanuts"**Content Style # of Reviewers 

- The use of comic strips and cartoon characters.
- Applicable for young clients
- Enjoyed the discussion part.
- Clever topic!Text/PPT did not match her script or was confusing?
- Interesting
- Interesting topic.

**371 Ma. Paquita D. Bonnet****Employers' Feedback on Philippine Higher Education Graduates**Content Style # of Reviewers 

- Expected her session grad. attributes (culturally sound)

**372 Dick Knowdell, Roberta Floyd, and Timothy Hsi****A Culture-Free Assessment Instrument That Identifies Skills and Motivation**Content Style # of Reviewers 

- Very much guided demonstration as the assessment tool; very good processing questions and facilitation skills.
- Engagement with the group.
- There are two dimensions to skills
- A fun and informative method to identify one's skills/motivation which is important for career planners.

**373 Sue Vittas****The Impact of Soft Skills on Your Career**Content Style # of Reviewers 

- A must-attend for every career coach or professional
- Visual examples

**374 Ahmed Mostafa Kamal and Faris Alshareef****Career Development practices in the MENA region**Content Style # of Reviewers 

- Inspiring videos
- Excellent sample of Social Entrepreneurial Excellence. Would like PPT.
- Exceptionally good.

- High energy; Link of info to other countries too. Interest in what is happening in MENA...

**375 Nika Ohashi** **Cross Cultural Career Counseling for International Workers from Asia in Japan**

Content  Style  # of Reviewers

- Nervous but engaging. Love that she came with an under-developed ideas and sought our ideas.

**411 Elvo Sou** **Career Adaptability among College Students in Macao**

Content  Style  # of Reviewers

- It will be a great dissertation!
- Exploring the career adaptability, though it's still an unfinished study.
- Overview of Macao; His style
- Amazing summary of Macao labor market, with resources

**412 Masumi Nagae and Jonathan Moxon** **A trial to increase the self-efficacy of Japanese junior college students through 2-stage group work.**

Content  Style  # of Reviewers

- Because it's a workshop, it's cool.

**413 Connie Pritchard** **NCDA Credentials: New Opportunities for Certification**

Content  Style  # of Reviewers

- The clear presentation of the speaker.
- Information in the various options for credentialing available to professionals at different levels of education.

**414 Hao Guo and Shimeng Mai** **How Brand Identity Prism helps you to create a successful employer relations plan?**

Content  Style  # of Reviewers

- Brand System

**415 Changhua Rich** **ACT WorkKeys use in Thailand and Philippines**

Content  Style  # of Reviewers

- Learned a lot about training and its importance in our work as co-professionals.
- Research-based information
- The information about ACT.
- Good overview of ACT WorkKeys and how it is used in Thailand and Phil.
- Its related to what I am doing, talking personally and discussing with other participants deepens my understanding.

**421 Sungsik Ahn** **A Peer-to-Peer Mock interview program for College Students**

Content  Style  # of Reviewers

- Really impressive practice and great demonstration of thoughtful creation process
- Content
- The peer-to-peer interview program
- The Q&A part. It was informative.

**423 Corie Luz and Michael Ganatta**

**Harrison Assessments — Online, Interactive, and Personal: Taking Career Coaching and Counseling into the 21st Century**

Content  Style  # of Reviewers

- The energy and enthusiasm of the presenters. The accuracy of the assessment results.
- Classical psychometric testing

**424 Felicity Brown**

**Developing employability skills in Asia: learnings from an experiential university leadership program**

Content  Style  # of Reviewers

- Mentoring and employability skills
- Very practical, honest, points was good...
- The student-initiated leadership program.
- How leadership program run in an Engineering school setting.
- Practitioner-based insights, recommendations for sustainability and scalability

**425 Jenny Lee Northey and Yuwei Gu**

**Supporting the Career Development of Chinese Students in an Intercultural Setting**

Content  Style  # of Reviewers

- Great comprehensive presentation on East and Western theory used with career counseling NYU Shanghai students.

**431 Dr. Jim Bright**

**Chaos Theory**

Content  Style  # of Reviewers

- Very engaging and a new career counseling strategy to try
- The mixed media used - PPT, video, actual demonstrations that kept the audience alert and engaged.
- Everything!
- Chance x Change: love his share!
- The concept of chaos is realistically true and expounded by all of us.
- Integration of old career theories to chaos theory, practical insights on the theory.
- So so good! Useful, engaging, interesting!
- Refreshing insights from the speaker about the theory and how it can be used in our work.
- Very good intro to this afternoon's workshop
- His presentation was chaotic with a few pearls of wisdom. Glad he gave us access to the presentation slides.
- Change
- Content
- The skill of the speaker to facilitate the talk.
- Practical, loved examples/visuals

**441 Dr. Jim Bright**

**Chaos Theory Professional Development Institute**

Content  Style  # of Reviewers

- Activities/applications
- New perspective on counseling; too valuable info.
- Sharing of stories.
- Good style, real life application. Theory is usable in real life.

- Excellent, practical activities, appreciated seeing his research data as well.
