

The U.N. Department of Economic and Social Affairs

What do we use from the SDGs websites to get the students thinking about their interests, purpose, and place in the world?

Topics on the websites include:

- An overview and deeper explanation of each goal
- Targets such as measures into national policies, strategies, and planning
- Conversations on social media such as Twitter and Instagram Events
- Resources and Publications
- In the News

We dropped this slide, as an image, in the chatbox.
