

APCDA New Member Orientation

Wed June 15/Thu June 16, 2022

As a new member who has joined APCDA since January, we would like to get your input/ideas AND help you find resources on our website that you will be able to use in your work.

APCDA is a network of career development professionals who connect with each other, share their ideas, knowledge, and expertise, and learn from other members. People do this mostly by attending our annual conference and monthly webinars, and by serving on APCDA committees.

APCDA is all about networking. This new member orientation will provide an opportunity to meet other new members and will introduce you to the tools available on our website. We will also ask for your input on ways we can meet your needs.

Mr. Kunimitsu Kuki and Ms. Zisa Velasquez-Garcia, Membership Committee, will lead the discussion. Our groups range from 2 to 20 attendees. This virtual opportunity to network will use Zoom in Gallery View, to make it feel like a group discussion. We will ask you to introduce yourself, then we will provide information about APCDA, then discuss your concerns and professional development needs, as time permits. Please bring your questions and your ideas.
