Post-Pandemic Human Resources Panel

July 26/27, 2020

Following up on our Regional Discussions, we will ask human resource managers what they will be looking for like when the pandemic is over. A panel of human resource managers from around our region will discuss how their companies have changed since January 2020 and their implications for hiring in the future. As the world passes through the pandemic and recovers from the current recession, what are the major issues faced by Human Resources?

Please find the time in your location:
