How do Global Crises and Disasters Impact Labor and Employment?

By Mr. Avgoustinos Souridis

September 26/27, 2022

Have you noticed the number of major disasters recently? And the world is currently rocked by war. How do these events impact the labor market and jobs? Are there relevant strategies career seekers can use to cope with the impact of these events? Are any of the stakeholders in a better position to cope with them, or to help others cope with them? Are there cross-industrial or cross-disciplinary alliances that can improve career outcomes for the next generation of professionals across geopolitical realities? Please bring your ideas to share during this fascinating discussion.
