President's Message

- Greetings to Sini Parampota and Arun Mittal
- Excited about Conference agenda

Discussion: Journal Editor

- Candidate: Dr. Poh Li Lau
- Brian Hutchison was not able to attend. He sent this statement: I recommend Poh Li Lau for the Editor position for APCDJ. In addition to being an accomplished scholar, she has been co-chair of the APCDA Research Committee and is Guest Editor for the upcoming special issue. She has my enthusiastic endorsement.
- Jose also recommended her.
- The Board voted unanimously to offer the position to Dr. Poh Li Lau.

Treasurer's Report

- See attached financial statements
- The budget for the conference is conservative, so we should end up in better shape than the budget predicts.

Discussion: Future Goals

- **Priorities**
 1. Increase member engagement
 2. Increase the perceived value of membership in the eyes of our members
 3. Build APCDA Committees' close relationship and energetic contributions to the organization's work
 4. Develop a leadership pipeline for APCDA leadership / Develop local (country) leaders for future roles on APCDA leadership team
 5. Connect meaningfully with each member country / Support countries that lack a national CDA to develop one and work closely with country CDAs
- Detailed Goals and Deliverables
 - We agreed that each year end, we will evaluate our progress and redefine our goals. The President-Elect will be instrumental in this process.
 - Some of the responsibility fall on a variety of leaders of APCDA. All leaders should look for the parts assigned to them, and the parts they may be able to take over, even though they may not have been assigned.
